Corporate information

Wockhardt Foundation is a national, not-for-profit organisation engaged in social service and human welfare activities.

The Foundation is driven by a simple philosophy – ‘Where every smile counts.’ The Foundation’s 21 programmes have ushered in perceptible positive change to the lives of the underprivileged in their respective areas of engagement.

Wockhardt Foundation has been the recipient of a number of awards including the prestigious ‘Asia Healthcare Excellence Award - 2016’ for the Best CSR Practice in Healthcare.

Wockhardt Foundation is promoted by the Mumbai-based Wockhardt Limited. Wockhardt Limited is a global pharmaceutical and biotechnology organisation, providing affordable, high-quality medicines for a healthier world. It is India’s leading research-based global healthcare enterprise with entrenched expertise in the fields of pharmaceuticals, biotechnology and a chain of super-speciality hospitals.

Wockhardt Limited is a true Indian MNC with a multi-ethnic workforce comprising around 10,000 associates hailing from 21 nations around the globe. The Company has three research centres and 12 manufacturing plants handling the manufacture and marketing of pharmaceutical and bio-pharmaceutical formulations, active pharmaceutical ingredients (APIs) and vaccines.

Wockhardt Foundation is a coming together of human values, social awareness and social development.

This Annual Report of Wockhardt Foundation covers the period from April 2017 to March 2018, in line with the financial year usually followed in India. The exercise is usually annual in nature. This is the fourth report of its kind by the Foundation.
This is an imperfect world.
Marked by disease, suffering and inequity.
Wockhardt Foundation is committed to address these realities.
Bringing remedy to the diseased. Hope to the suffering. And a better quality of life to the underprivileged.
There is a battle in progress in India’s rural pockets.

Wockhardt Foundation is engaged in fighting from the frontlines.

Hands-on.

From the ground-level up.

Covering 21 programmes.

To ensure that...life wins.

Philosophies of Wockhardt Foundation

Service to man is service to God

We make a living by what we get, we make a life by what we give

A candle loses nothing when it is used to light another candle

MILESTONES

2007
First mobile van started by Wockhardt Limited to provide free primary healthcare to slums in Mumbai

2008
Wockhardt Foundation registered as an NGO
Launch of Khel Khel Mein

2010
First Mobile 1000 van started in Aurangabad, Maharashtra
Where every smile counts

Wish for others what you wish for yourself

Mankind is one family dependent on God, and the most beloved to God is the one most beneficial to it

The poor don’t need pity, they need help

Poverty somewhere is a threat to prosperity elsewhere

When you help others, you help yourself the most, because God grants you peace and happiness

A life of giving is the only life worth living

What you give in charities, comes back to you multiplied many times over

---

2011
- Launch of Shudhu (water purification tablets)

2013
- Launch of the Pronto Bio-Toilet programme
- Launch of the E-Learning programme

AWARDS
For Wockhardt Limited Group

5 For Wockhardt Limited Group
Become the hope
Care of others
Unconditional love
Be simple
Live in the present
Enjoy the depth
Feel detached
During the year 2017-18, we remained passionately and energetically committed to the values of Wockhardt Foundation which are: beneficence, excellence, speed and trust.

Beneficence entails striving to serve the economically-disadvantaged people around us.

Excellence entails keeping quality first by doing things the right way.

Speed entails staying a step ahead by instilling a sense of inherent enthusiasm.

Trust entails fulfilling our promises by fostering relationships because they are at the core of all that we do.

Looking ahead we resolve to uphold these ideals in all our activities.

Regards,

Sir Dr. Huz
(Huzaifa Khorakiwala)
Trustee and CEO - Wockhardt Foundation

</table>
At Wockhardt Foundation, we are engaged in a number of initiatives to ensure that life wins. We offer holistic solutions that enhance quality of life, stakeholder confidence and sustainability.

By addressing unmet needs
Wockhardt Foundation emulates its parent organisation’s priority in addressing society’s unmet needs and national building blocks (education, hygiene and healthcare) that enhance quality of life. The Mobile 1000 programme addresses a longstanding rural primary healthcare gap; its Pronto Bio-Toilet and Pronto Toilet initiatives address a large national sanitation gap; its E-Learning system addresses the need for adequate educational infrastructure; SHUDHU addresses the critical need for providing safe potable water; Wockhardt Skills Development Institute (WSDI) focuses on curtailing the national deficit of professional caregivers.

By exploring game-changing solutions
Wockhardt Foundation is engaged in initiatives that promise positive disruption. The Pronto Bio-Toilet is a futuristic solution for a challenging national problem; the Mobile 1000 concept bypasses legacy hurdles; the SHUDHU solution has virtually eradicated health challenges in specific geographic pockets; the E-Learning initiative has graduated educational delivery into the next generation.

By maximising impact
Wockhardt Foundation’s initiatives are directed at low gestation, easy implementation and maximum impact. This is achieved through hands-on project implementation. As a result, the Foundation is acknowledged as a national authority in specific niches, attracting partnerships and professionals.
By leveraging best-in-class technologies
Wockhardt Foundation believes that enduring social solutions are derived through the prudent use of core, delivery and monitoring technologies. Take for instance, our Mobile 1000 programme; all the vans can be tracked online on a real-time basis via a GPS device. Moreover, All Mobile 1000 data is generated using a MIS software and sent to the donors on a monthly basis. These reports are presented in various visual formats and help maintain the desired level of transparency that Wockhardt Foundation hopes to achieve.

By partnering with the best in the business
Wockhardt Foundation has not just selected to invest its own resources; it has also selected to engage corporate partners to widen social prosperity. Some prominent partner organisations comprise Gas Authority of India Limited (GAIL), Hindustan Petroleum, NALCO, Cairn India and Welspun, among others. This collaborative model has enhanced the Foundation’s sustainability.

By investing in professionalism
Wockhardt Foundation’s activities are directly managed by Sir Dr. Huzaifa Khorakiwala, Executive Director of Wockhardt Limited, an MBA from Yale University. The Foundation works some of the best professionals across the niches of its presence – medical doctors, care givers, educators and logistic support providers.

*Individual donors > ₹1,00,000
Thank you for your kind partnership and support.
Dr. Habil Khorakiwala
Chairman, Wockhardt Limited and Founder, Wockhardt Foundation
**DR. HABIL KHORAKIWALA** is Chairman of the Wockhardt Group, India’s leading research-based global healthcare enterprise with relevance in the fields of Pharmaceuticals, Biotechnology, Active Pharmaceutical Ingredients (APIs) and Super Speciality Hospitals.

He holds a Masters in Pharmaceutical Science from Purdue University and has participated in an Advanced Management Programme at Harvard Business School, USA.

A keen disciple of ‘Change Management’, Dr. Habil Khorakiwala has single-mindedly steered Wockhardt - consisting of a multi-ethnic workforce of 10,000 Associates - into becoming the first true healthcare group from India. His visionary and astute leadership resulted in Wockhardt emerging as a leading pharmaceutical and biotech conglomerate, driven by research and strategic thinking on a global scale. Under him, Wockhardt Hospitals has become a leading health service provider with nine hospitals that aim to serve and enrich the quality of life of its patients.

Over the years, besides building the Wockhardt business, Dr. Habil Khorakiwala has been involved in social industrial activity. Under his able leadership and as a part of its CSR activities, outstanding work has been done through Wockhardt Foundation. Various social and moral causes, programmes and initiatives have been undertaken for the upliftment of the weaker sections of society.

Dr. Khorakiwala is the current Chancellor of Jamia Hamdard University, New Delhi and holds many other high profile positions. He has also served as the President of FICCI, Honorary Consul General of Sweden in Mumbai, President of Indian Pharmaceutical Alliance (IPA) etc.

Pharmaceutical Alliance (IPA) etc.

He is the only non-American recipient in the 125 year history of Purdue University to be honoured with their highest award - the Honorary Doctorate for distinguished service to the University and great achievements in career and life.

In recognition of his contribution to Indian business and industry, Dr. Khorakiwala is the recipient of many awards and citations including the prestigious Shiromani Vikas Award for his ‘Outstanding and Inspiring Contribution towards National Development’ received at the hands of Mother Teresa (1992).

Kalinga Institute of Industrial Technology (KIIT) University, Bhubaneshwar bestowed on him the prestigious Degree of Doctor of Letters (Honoris Causa) in November, 2016 in recognition of his magnanimous vision, genius and outstanding philanthropy.
Mrs. Nafisa Khorakiwala is the wife of Dr. Habil Khorakiwala, the Chairman of Wockhardt Limited. Even though she hails from a high profile business family, she has chosen social work as her passion. Her commitment as a social activist is seen through the range of issues that she is dedicated to.

She is the Founder and Chairperson of Wockhardt Foundation. She is also energetically engaged in making life better for malnourished children and the children studying in the Ashram Schools by providing them things of basic necessities. She personally interacts with these children and understands their needs.

Mrs. Khorakiwala initiated the E-Learning programme for many underprivileged children in more than 500 schools in Maharashtra, Gujarat, Rajasthan and Nagaland.
Sir Dr. Huz is the CEO of Wockhardt Foundation, a not-for-profit organization which runs several programmes in health, education, water and sanitation across the country, benefitting & touching millions of lives every year.

He is the Founder of “The World Peacekeepers Movement”, an online movement comprising of more than 2 million peacekeepers, forming the world’s 2nd largest army. It is based on the 7 Peace Values of gratitude, forgiveness, love, humility, giving, patience, and truth.

Sir Dr. Huz is also the Chairman of “The Peace Mission Pvt. Ltd.” which sells Peace Gifts – gifts spreading peace. He has also started a new concept called “Peace Cafee” which will be setting up a chain across India spreading peace.

For his contribution to society, he has received many prestigious awards (57 so far) & titles, one of the recent ones being – Knighthood – which was bestowed on him by the Ecumenical Medical-Humanitarian Order Knights of St. John of Jerusalem (Knights of Charity). He has also been bestowed with the Princehood Royal Title- ‘His Highness’ for preserving the wisdom and spirit of the kingdom of Panembahan Mempawah, Indonesia. He has been appointed as the Peace Ambassador for South Asia by the “International Association of Educators for World Peace”, an affiliate body of the United Nations. He is also the recipient of 10 Honorary Doctorates.

MOBILE 1000

NEED
Shortfall of infrastructure (as of 31 March 2017)
- 34,946 (19%) – Sub-Centres
- 6,409 (22%) – Primary Health Centres
- 2,168 (30%) – Community Health Centres

Manpower shortfall (as of 31 March 2017)
- 6,104 – Shortfall of health workers [female]/ANM at Sub Centre
- 10,112 - Shortfall of health workers [female]/ANM at Sub centres & PHCs
- 99,572 - Shortfall of health workers [male] at Sub Centres
- 4,243 – Number of Sub-Centres without ANM’s or/and health workers [male]
- 11,712 – Shortfall of health assistants [female]/LHV at PHCs
- 15,592 – Shortfall of health assistant [male] at PHCs
- 3,027 – Shortfall of allopathic doctors at Primary Health Centres (PHCs)

- 18,347 – Shortfall of specialists [surgeons, OB&GY, physicians & paediatricians] at CHCs
- 4,866 – Shortfall of surgeons at CHCs
- 4,170 – Shortfall of obstetricians & gynaecologists at CHCs
- 4,760 – Shortfall of physicians at CHCs
- 4,554 – Shortfall of paediatricians at CHCs

Number of PHCs without doctors/lab technicians/pharmacists
- Without doctors – 1,974
- Without lab technicians – 9,183
- Without pharmacists – 4,744
- Shortfall of laboratory technicians at PHCs & CHCs – 12,511
- Shortfall of pharmacists at PHCs & CHCs – 7,092
- Shortfall of radiographers at CHCs – 3,629
- Shortfall of nursing staff at PHCs & CHCs – 13,194

(Source: Rural Health Statistics, Ministry of Health & Sanitation)
OBJECTIVE
To operate 1000 mobile health vans to provide free primary healthcare to 25 million rural Indians.

ACHIEVEMENTS
- Wockhardt Foundation’s Mobile 1000 concept is being increasingly regarded as a catalyst in the regions of its presence
- Over the last few years, the widening footprint of this service has translated into:
  - Decline in the healthcare spending of thousands of rural Indians
  - Lower downtime from physical illnesses,
  - Enhanced workplace productivity and increased incomes
- 132 Mobile 1000 vans*
- 41 new vans launched in 2017-18
- 65 medical camps held in 2017-18
- 22.52 Lakh patients provided with free medicines
- Cost of ₹124 per patient (Below NRHM’s ₹150 per patient)

NEED
- 3 Lakh Indian children born with heart defects annually
- Timely diagnosis and right treatment can help save them
- For the average family, the cost of care of a child with heart disease is prohibitive
- While paediatric cardiology is only now being recognised in India as a major speciality, there is a need to intensify efforts to develop the speciality especially in those parts of India where there are very few centres

OBJECTIVE
- State-of-the-art infrastructure
- Financial help for underprivileged children for cardiac surgeries
- Surgery cost – 15% borne by Wockhardt Hospital and 85% by donors
- Children can lead a normal and healthy life

ACHIEVEMENTS
- 100 congenital heart surgeries conducted
- 2 paediatric heart camps conducted

PROJECT REVIEW

PRONTO TOILET

NEED

- Diarrhoea: Second largest cause of child (under-5 years) mortality; accounting for 19% of child deaths in developing countries
- Nearly 90%: Diarrhoeal deaths due to lack of sanitation and unsafe drinking water
- 75%: Rural Indians with no access to safe drinking water;
- 1,000: Daily diarrhoeal deaths of children (under five years)

OBJECTIVE

- Low-cost sanitation solutions in Indian schools and educational institutions

ACHIEVEMENTS

- 3343 toilets
- 138 Lakh times people were benefited*

CONTACT

Mr. Naveed Pasha, Director, Programme Head, Pronto Toilet

*(No of Users x 25 days)
THE PRONTO TOILET PROGRAM WAS LAUNCHED WITH THE AIM OF FACILITATING OUR PRIME MINISTER’S MISSION ‘SWACHH BHARAT ABHIYAN’

TOTAL SANITATION CAMPAIGN

NEED FOR ESTABLISHING SANITATION FACILITIES:
- Only 31% of our country’s population has access to proper sanitation facilities
- 80% of children’s solid excretion is left in the open or thrown into the garbage
- Over 75% of our country’s population has access to mobile phones but basic sanitation is a remote dream
- India is the country with the highest number of people practicing open defecation most of it occurs in rural areas where the prevalence is estimated at 65 percent of the population
- Women having to defecate in the open, at odd hours, not only threaten their dignity, but their safety as well
- Children fall ill due to the germs spread from open defecation and cannot attend school
- Many girls drop out of school due to absence of sanitation facilities which hinder their education process
- Lack of toilets in villages is more than just a sanitation problem. An investment into a toilet is about changing mind sets. It is about bringing health, dignity & empowerment having a large impact with a broad and sustainable approach to community development.

JOIN THE PRONTO TOILET MOVEMENT TO PROMOTE CHANGE, HOPE, COURAGE WITH A SOCIAL INVESTMENT IN A BRIGHT FUTURE WITH A VIEW OF ACCOMPLISHING THE VISION OF CLEAN INDIA

**MISSION**

“To ensure Pure Waste Discharge from a toilet, thus playing a critical role in preventable healthcare”

**HOW IT WORKS**

The Bio-Digester Tank comprises a Bacterial Inoculum, which decomposes the waste into Pure Water & Biogas. This residue is colorless, odorless & free of pathogens.

**BENEFITS**

- **Environment Friendly**
  - No air and land pollution
- **Hygiene and Health**
  - Prevents water-borne ailments like Viral, Gastroenteritis, Typhoid, Cholera, Jaundice, Viral Hepatitis
  - Prevents mosquito-borne ailments like Malaria, Dengue, Chikunguniya
  - Eliminates foul smell
- **Energy**
  - Bio-gas generated by 50 users = 100 ml of kerosene
- **Water**
  - Spent on cleaning open defecation
- **Durability**
  - Has a minimum lifespan of 50 years
- **Space**
  - Area occupied by 1 septic Tank = 3 Bio-Tanks
- **Maintenance**
  - Bio - Tanks are maintenance – free

PROJECT REVIEW

E-LEARNING

NEED
- Student retention is one of the biggest educational challenges
- 29% Indian students drop out before completing five years of primary school; 43% do so before finishing upper primary school
- 42% high school completion rate

OBJECTIVE
- Fun-filled and interactive learning
- Attract students
- Make subjects engaging
- Empowering students
- Developed by experts and qualified instructional designers
- For standards I to X (as per State Board curriculum)

ACHIEVEMENTS
- 581 schools
- 2.9 Lakh children benefited
- 504 Lakh times that children have availed of this service*
- In 2017-18, installations done in 221 schools
- Launched for the 1st time in Gujarat
- Presence in Maharashtra, Gujarat, Rajasthan & Nagaland

CONTACT
Dr. Tausif Jalal, General Manager, Programme Head, E-Learning
M: 91-99304 70983 | E: tjalal@wockhardtfoundation.org | W: www.wf-elearning.org

*(No of Children x no of Attended School days)
**ENHANCING ACADEMIC EXCELLENCE**

**NEED FOR E-LEARNING**

Recently conducted survey by a reputed organization indicated that:

- 57% of schools have 3 teachers or less
- 58% of class 5 students cannot read class 2 text books
- 75% of class 5 students cannot do simple division
- 47% of class 5 students cannot do simple subtraction
- Lack of infrastructure and innovation in quality teaching methodologies
- High students dropout rate at primary education stage due to lack of motivation to study and lack of opportunities
- High absenteeism

**OUR AIM**
The E-Learning Programme of Wockhardt Foundation aims at ensuring academic excellence through quality and innovative teaching methods.

**SUCCESS STORY**
Wockhardt Foundation has been running this programme for the underprivileged students of the Parali Village Ashram School in Thane district and the results have been extremely encouraging. In 2012 the school secured a 45% pass percentage in the SSC board results, however after installing E-Learning in 2013 there has been a significant improvement in the academic scores with the school securing a 100% pass percentage in 2015 as compared to 95% in 2014 & 80% in 2013.

Given the outstanding performance of the Parali Ashram School, Wockhardt Foundation has implemented E-Learning in 581 schools in Maharashtra, Rajasthan and Nagaland.

KHEL KHEL MEIN

NEED
- Children – Envoys of the future
- Current model of education:
  - Alienation between head and heart
  - Values, good habits and social skills missing
  - Individualistic idea of excellence promoted at the cost of emotional & relational skills
- Engagement in unsocial activities
- No opportunity for edu-recreational activities for underprivileged children

OBJECTIVE
- Toy libraries for underprivileged slum children aged 6-12 years
- Holistic human development
- Inculcation and practice of human, moral values and good habits
- Healthy and fun environment
- 29 edu-recreational centres and toy libraries
- Operations - five days a week
- Outcome – Children well mannered, trained and groomed with good values

ACHIEVEMENTS
- 29 toy libraries (Mumbai, Delhi, Aurangabad, Bangalore and Gurgaon)
- 2,319 children benefited
- 2.85 Lakh times children benefited*

CONTACT

PROJECT REVIEW

WOCKHARDT SKILLS DEVELOPMENT INSTITUTE

NEED
- More than 12 million youth between 15 and 29 years of age are expected to enter India’s labor force every year for the next two decades. (Source: World Bank)
- The government’s recent skill gap analysis concludes that by 2022, another 109 million or so skilled workers will be needed in the 24 keys sectors of the economy.
- Only 2.3% of India’s workforce has received some formal skills training.
- The recently-launched National Skill Development Mission aims to train ~400 million people by 2022.
- The percentage of the formally trained in India stands at a low of 4.69% compared to countries like Germany (75%) and Korea (96%) (Source: Niti Aayog)

OBJECTIVE
- WSDI (Wockhardt Skills Development Institute) commissioned in 2013
- WSDI offers courses in:
  - Basics of anatomy and physiology
  - General duty assistant
  - Beauty therapist
  - Stitching course
  - Mobile repairing and CCTV installation
- After training, candidates are offered placement assistance.

ACHIEVEMENTS
- 4 Centres
- 418 students trained
- 26,387 (times) that students have benefited*
- Presence in 2 states - UP & Gujarat
- Placed 220 students in 2017-18
- 2 new centres for beauty therapist course and mobile repairing & CCTV installation course at Ankleshwar, Gujarat

*(No. of students trained) x 25 (No. of days training)
DUE TO POVERTY, MANY OF OUR YOUTH IN INDIA ARE UNABLE TO CONTINUE THEIR EDUCATION AND DROP OUT FROM SCHOOL. HENCE THEY CANNOT GET EMPLOYMENT LATER ON IN LIFE. WITH THE AIM OF MAKING THESE YOUTH EMPLOYABLE WE HAVE SET UP ‘WOCKHARDT SKILLS DEVELOPMENT INSTITUTE’.

The mission of Wockhardt Skills Development Institute is “excellence in skills development leading to employment.”

Through our certified courses, we educate them with the necessary skills required to gain employment. The students are benefitted through virtual classrooms, practical labs, regular workshops, seminars and in-depth knowledge. Our dedicated placement cell ensures that these students are placed after completion of their course.

These students are provided with a chance of a better future which they would not receive otherwise.

PROJECT REVIEW

SHUDHU

NEED
- Water-borne diseases - Major cause of health disruptions (WHO and World Bank)
- 37.7 million – Indians affected by waterborne diseases annually
- 1.5 billion+ - People with no access to potable water

OBJECTIVE
- Shudhu is a NaDCC tablet
- Kills water pathogens
- No electricity needed, no need to change filters, no re-contamination fears
- NaDCC - WHO- and Bureau of Indian Standards-approved water disinfectant
- NaDCC - used in more than 67 countries for over 15 years
- Shudhu distributed in Maharashtra, Uttar Pradesh, Goa, Uttarakhand, Tamil Nadu, Rajasthan, Madhya Pradesh, Punjab, Gujarat and Telangana.

ACHIEVEMENTS
- 13.66 Lakh tablets
- 273 Lakh litres of water purified
- 54.65 Lakh times people given pure drinking water*

CONTACT
Dr. Hrishikesh Vishe, Senior Manager - Operations, Programme Head - Shudhu
M: +91 99304 49198 | E: hvishe@wockhardtfoundation.org | W: www.shudhu.org

*(No of tablets x 4)
SHUDHU SOLUTION

37.7 MILLION INDIANS ARE AFFECTED BY WATER BORNE DISEASES ANNUALLY

Our mission to provide safe drinking water

PREVENTS DIARRHEA, JAUNDICE, CHOLERA, DYSENTERY, POLIO, AND GIARDIA

ADVANTAGES OF USING SHUDHU
Non-Toxic (unlike Chlorine tablets/gas or Bleaching Powder) | No Bad Smell/Taste | No sediments | Long Lasting - for up to 48 hours (or more) | Prevents Re-contamination | Prevents Formation of Bio-Films | Not inactivated by Water Pollution | Not affected by PH Levels | Marginally reduces Water Hardness | Makes water potable

THE THREE BENEFITS
ECONOMICAL – Re. 1 per day | EASY TO USE – Simply put in water | EFFECTIVE – Kills all known Bacteria, Viruses and Pathogens

SPONSOR 1 HOUSEHOLD FOR RS.365 PER YEAR @ RE. 1 PER DAY.

ADARSH GRAM YOJANA

NEED
- The Prime Minister has set a goal that all parliamentarians must target to establish at least one model village in his or her constituency with the goal of improving physical and institutional infrastructure in a holistic way.
- The long-term aim is that each of these villages will then inspire and serve as a model to other villages in the area.

OBJECTIVE
- January 2015 - Adarsh Gram Yojana launched (in line with the Central Government’s Sansad Adarsh Gram Yojana scheme for rural development) to better the lives of the villagers through social and community development activities in the areas of health, education, sanitation and water.

ACHIEVEMENTS
- Adoption of 21 villages in Aurangabad district, Maharashtra
- Health Van (20 villages) – 35,041 patients
- Computer Training – 144 beneficiaries
- Spoken English classes for villagers – 120 villagers
- One-time meal to 29 poor and needy people of Abdimandi village
- Total meals served in 2017-18 stood at 10,585*
- Linkages of farmers and self-help groups to financial institutions and government programmes for their occupation and livelihood development

RECYCLE MACHINE
NEED
- Students in rural areas lack access to basic educational infrastructure like a desk or a bag.
- Most of the students in rural schools of India have to stay sitting down on the floor for long hours.
- 9 out of 10 students face posture-related problems and back injuries at some point of time in their lives.
- Sitting on the floor and studying for 6-8 hours affects posture, results in back pain, poor eye sight and hampers concentration.

OBJECTIVE
An intelligently designed school bag which transforms into a desk; thus empowering rural students with basic infrastructure, enabling them to study effectively.

ACHIEVEMENTS
- 1154 Bags till date
- 821 bags distributed in 2017-18
- 1.64 lakh times students benefited*
