

Quality Policy

QUALITY MANAGEMENT SYSTEM – We must ensure sustainable and consistent quality of products that are safe and effective. Compliance to GMP standards and all the regulatory requirements is a must.

QUALITY IS PRACTICED BY PEOPLE – We must ensure that all our people are adequately trained and skilled on an ongoing basis to perform their role. Continuous involvement and engagement of people is critical for quality.

QUALITY IS MEASURABLE – Continuous feedback and improvement is part of our quality improvement process.

QUALITY IS BUILT INTO PROCESS – We must ensure consistency through continuous follow up and adherence to establish company policies and procedures.

CONTINUOUS SATISFACTION OF CUSTOMERS IS OUR FOCUS – It means meeting the requirements of internal customers with speed. Right the first time, every time.

QUALITY IS OF SUPREME IMPORTANCE IN WOCKHARDT – It must be supported by people at all levels, in all functions.
